**Description of Activity:**

The guest lecture titled "Direct Taxes Demystified – Your Essential Exam Guide" focused on simplifying direct tax overview for students preparing for exams. The session began with an overview of direct taxes, including Introduction of Direct Tax, Capital gain, Residential & Non-Residential Status, Income from Salary, Income from Other Source, Income from Business & Profession, Income from House Property followed by a breakdown of the key provisions of the Income Tax Act.

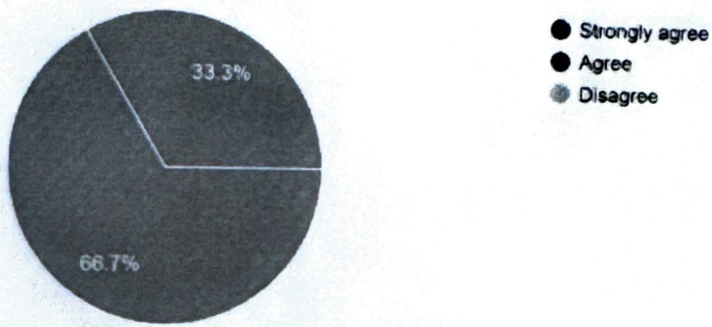

The speaker emphasized understanding the principles behind tax laws rather than memorizing them, making it easier for students to apply concepts during exams. Practical examples were used to explain taxable income calculation, exemptions, deductions, and recent amendments in tax laws.

The lecture also provided effective exam preparation strategies, advising students to prioritize key sections, practice past papers, and focus on understanding practical applications. An interactive Q&A session allowed students to clarify doubts and gain further insights.

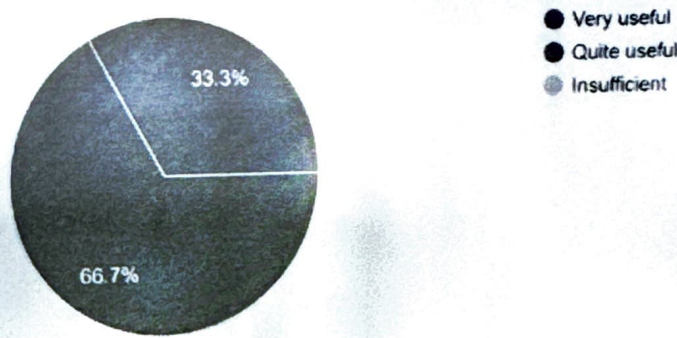

In conclusion, the lecture was a valuable resource, offering clarity on complex tax concepts and equipping students with the necessary tools for successful exam preparation.
