Name(s) of Teacher(s) Incharge:

Asst. Prof. Tejaswi Shetkar

Asst. Prof. Radheya Surve

No. of Participants:

Male: NA

Female: 21

Description of Activity:

The Psychology Department, in collaboration with the Psychology Club, organized a career-focused Internship Recruitment Drive in association with Brain Wonders, a leading career counseling and guidance firm. This initiative aimed to provide SYBA and TYBA Psychology students with an opportunity to gain practical exposure in the field of counseling.

The recruitment drive included an introductory session by Mr. Manish Naidu, Director at Brain Wonders, and Ms. Tanya Gujral, Counselor at Brain Wonders. They shared valuable insights into career opportunities in counseling, the skills required, and the roles students could undertake as interns in the firm. The event was designed to bridge the gap between theoretical knowledge and real-world counseling practices, offering students a chance to apply their academic learnings in a professional setting. Out of 21 students who participated, 9 students were selected for internships at Brain Wonders.

The event also provided an opportunity for students to engage directly with the experts and gain clarity on the processes involved in career counseling. This exposure equipped the participants with essential skills and insights for their future careers in psychology.
