

Film Screening Report – Black Swan

The Psychology Club and Films & Music Club of N. L. Dalmia College organized a screening of *Black Swan* on August 12, 2024, in the MDP Room, attended by 35 students and 3 faculty members. The event, led by Ms. Pooja Gandhi and Mr. Ankit Thakur, was followed by a guided discussion.

The session focused on psychological themes such as psychosis, dissociation, perfectionism, and caregiver stress, helping students connect film content with real-life mental health experiences. It received an excellent rating of 4.66/5, with students highlighting its strong relevance to Abnormal Psychology and related subjects. The film's emotional depth and key transformation scenes were especially appreciated.
