

## Suicide prevention - report for website

The Department of Psychology and the Psychology Club organized a seminar on suicide prevention titled "*Hope and Healing*" on 16 October 2025. The session, led by Ms. Kavita Nair Bhatia, provided practical insights into suicide awareness, prevention strategies, and psychological first aid. The programme was conducted under the guidance of **Ms. Pooja Gandhi and Mr. Ankit Thakur**, attended by **42 students**, and was highly appreciated for its relevance and effectiveness.
